Overview

Julius Matuszewicz is an associate in the firm's Litigation and Dispute Resolution Practice Group. His practice primarily focuses on representing insurers throughout first-party property insurance claims and disputes, handling pre-suit investigations and coverage determinations, as well as all aspects of litigation, including trial. He has also represented insurers in bad faith litigation, investigations of fraudulent claims, as well as extra-contractual disputes.

Julius is also experienced in assisting clients with cyber losses and other cybersecurity related matters, including risk assessment and incident response. He has further assisted insurers in claims of cryptocurrency theft, having prepared coverage opinions and handled pre-suit investigations for such losses.

Earlier in his career, Julius worked at the State Attorney's Office in Pinellas County, Florida, handling hundreds of cases and numerous trials, both jury and non-jury.

Julius's parents both emigrated from Poland, making him a second-generation American. Originally from New York, he has spent the majority of his life in the Tampa Bay area. Julius is fluent in Polish, and has a professional working proficiency in both Spanish and French.
